PARKING SOLUTIONS COMPETITION 2018

DO YOU HAVE THE NEXT BIG IDEA?
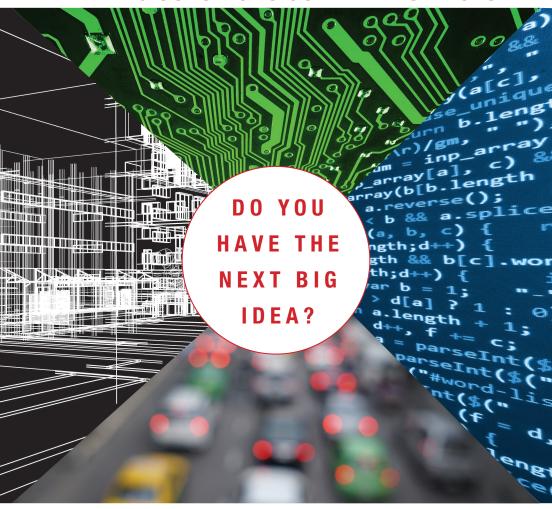

Calling All Students!
Submissions open October 16, 2017

The Parking Solutions Competition is a design and development parking challenge for college students actively enrolled in an undergraduate institution or actively pursuing a graduate degree. Finalists demonstrate creativity, innovation, realism, applicability, scalability, and presentation skills.

Know a parking professional in the making? Encourage them to visit **parking.org/parkingsolutions** and follow **#IPIparkingsolutions** for competition details and announcements.

Coming this Fall!
